
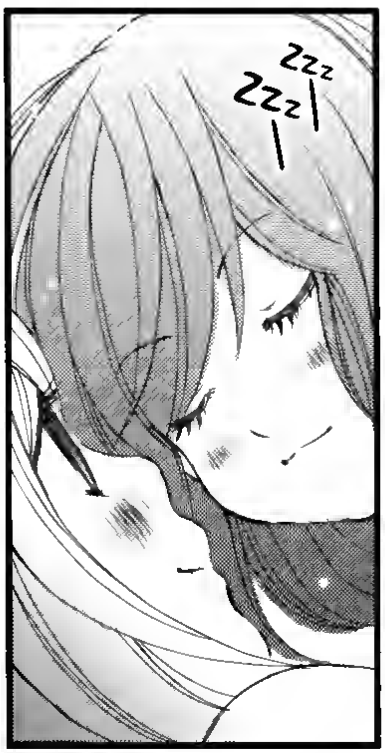
Wonderful Morning

by Morishima Akiko



Being the only one awake every morning is a bit lonely (I'm used to it, though).
Ain't gonna work, huh?

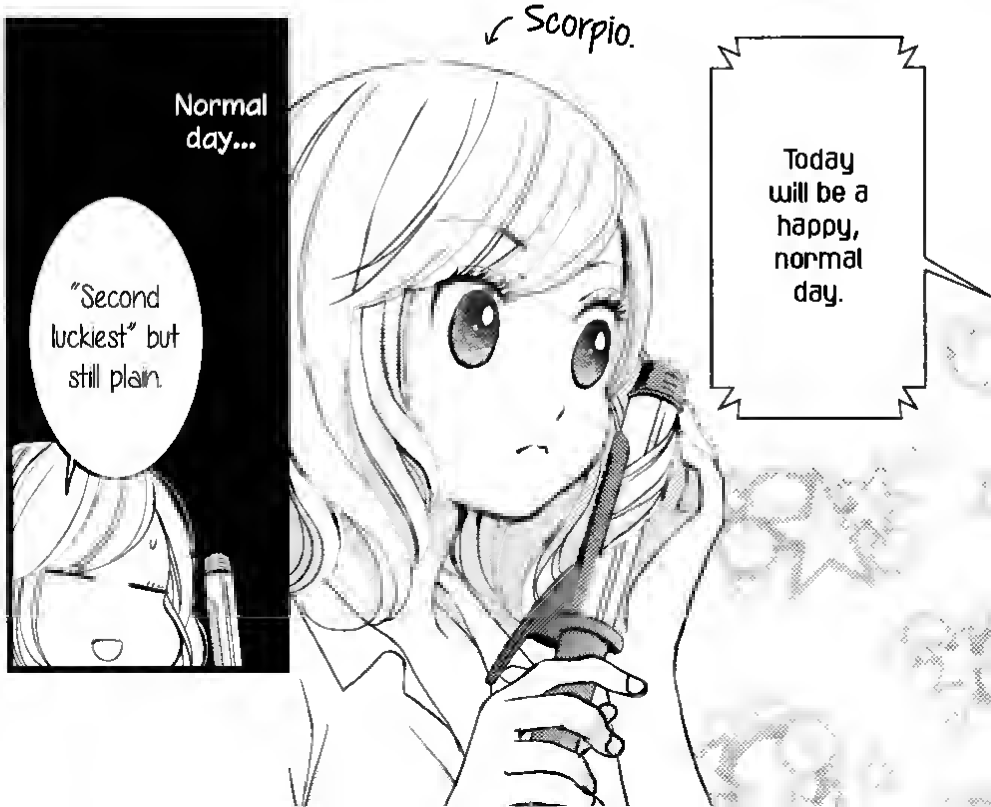
Oh!
Yay!
Scor-pio.
Today's second luckiest zodiac sign is...

I do my face and hair with the TV on.
Like every day I make toast for two, but eat it alone.



Scorpio.
Today will be a happy, normal day.
Normal day...
"Second luckiest" but still plain.
Nothing extreme is probably best

And today's luckiest zodiac sign is...
Taurus!
WHOA!
Taurus
A miracle of love will cross space and time to make your day dazzlingly happy.
Cross space and time...?
Amazing.
The difference between us is too big
I have make-up on, but it should be okay.

Here I come,

BLINK
WAH! YOU WOKE UP.

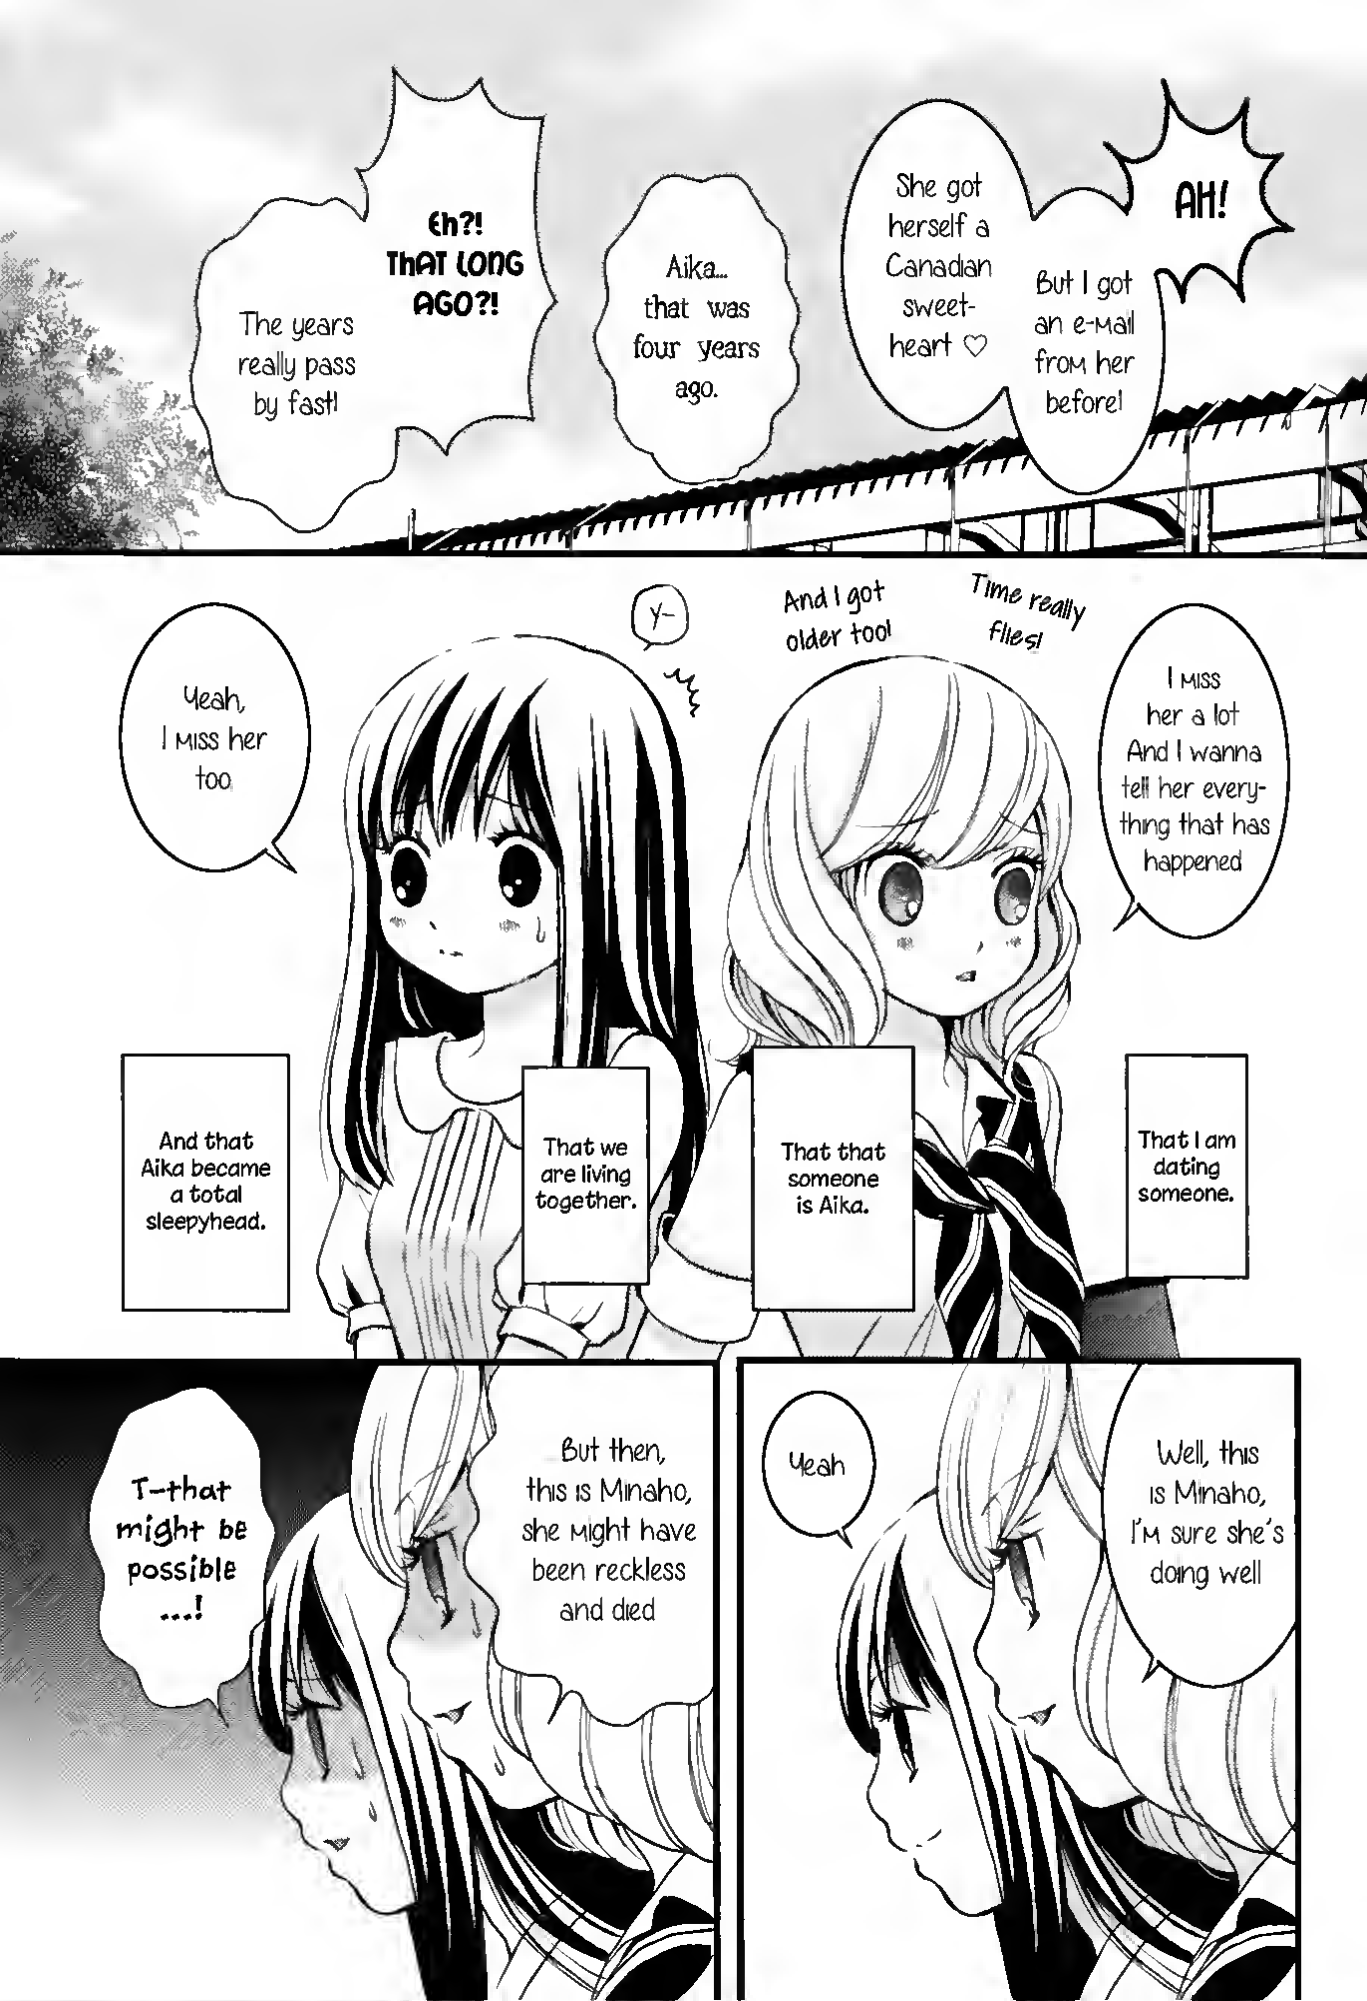
Good morning, Yuu-chan
Sit up
Indeed, a miracle!
I can't believe you woke up before 8, Aika
Yeah, I was having a wonderful dream, so I'm wide awake
A dream?
slowly
Yeah, about high school
We were together with Minaho
The three of us, in the train station,
chatting while waiting for the train
High school?
Minaho?
WOW.
Yep
I see
Crossing space and time, miracle of love
What's that?

Yaay ♪ Going to work with Yuu-chan!
Yep, waiting for the train on a working day
It's like we're back in high school
It is ♡
Although, Minaho isn't here
Yeah
I wanna see her again
I wonder what she's doing
Yeah, I don't even know where she lives
Ahaha.
—Kyaa!

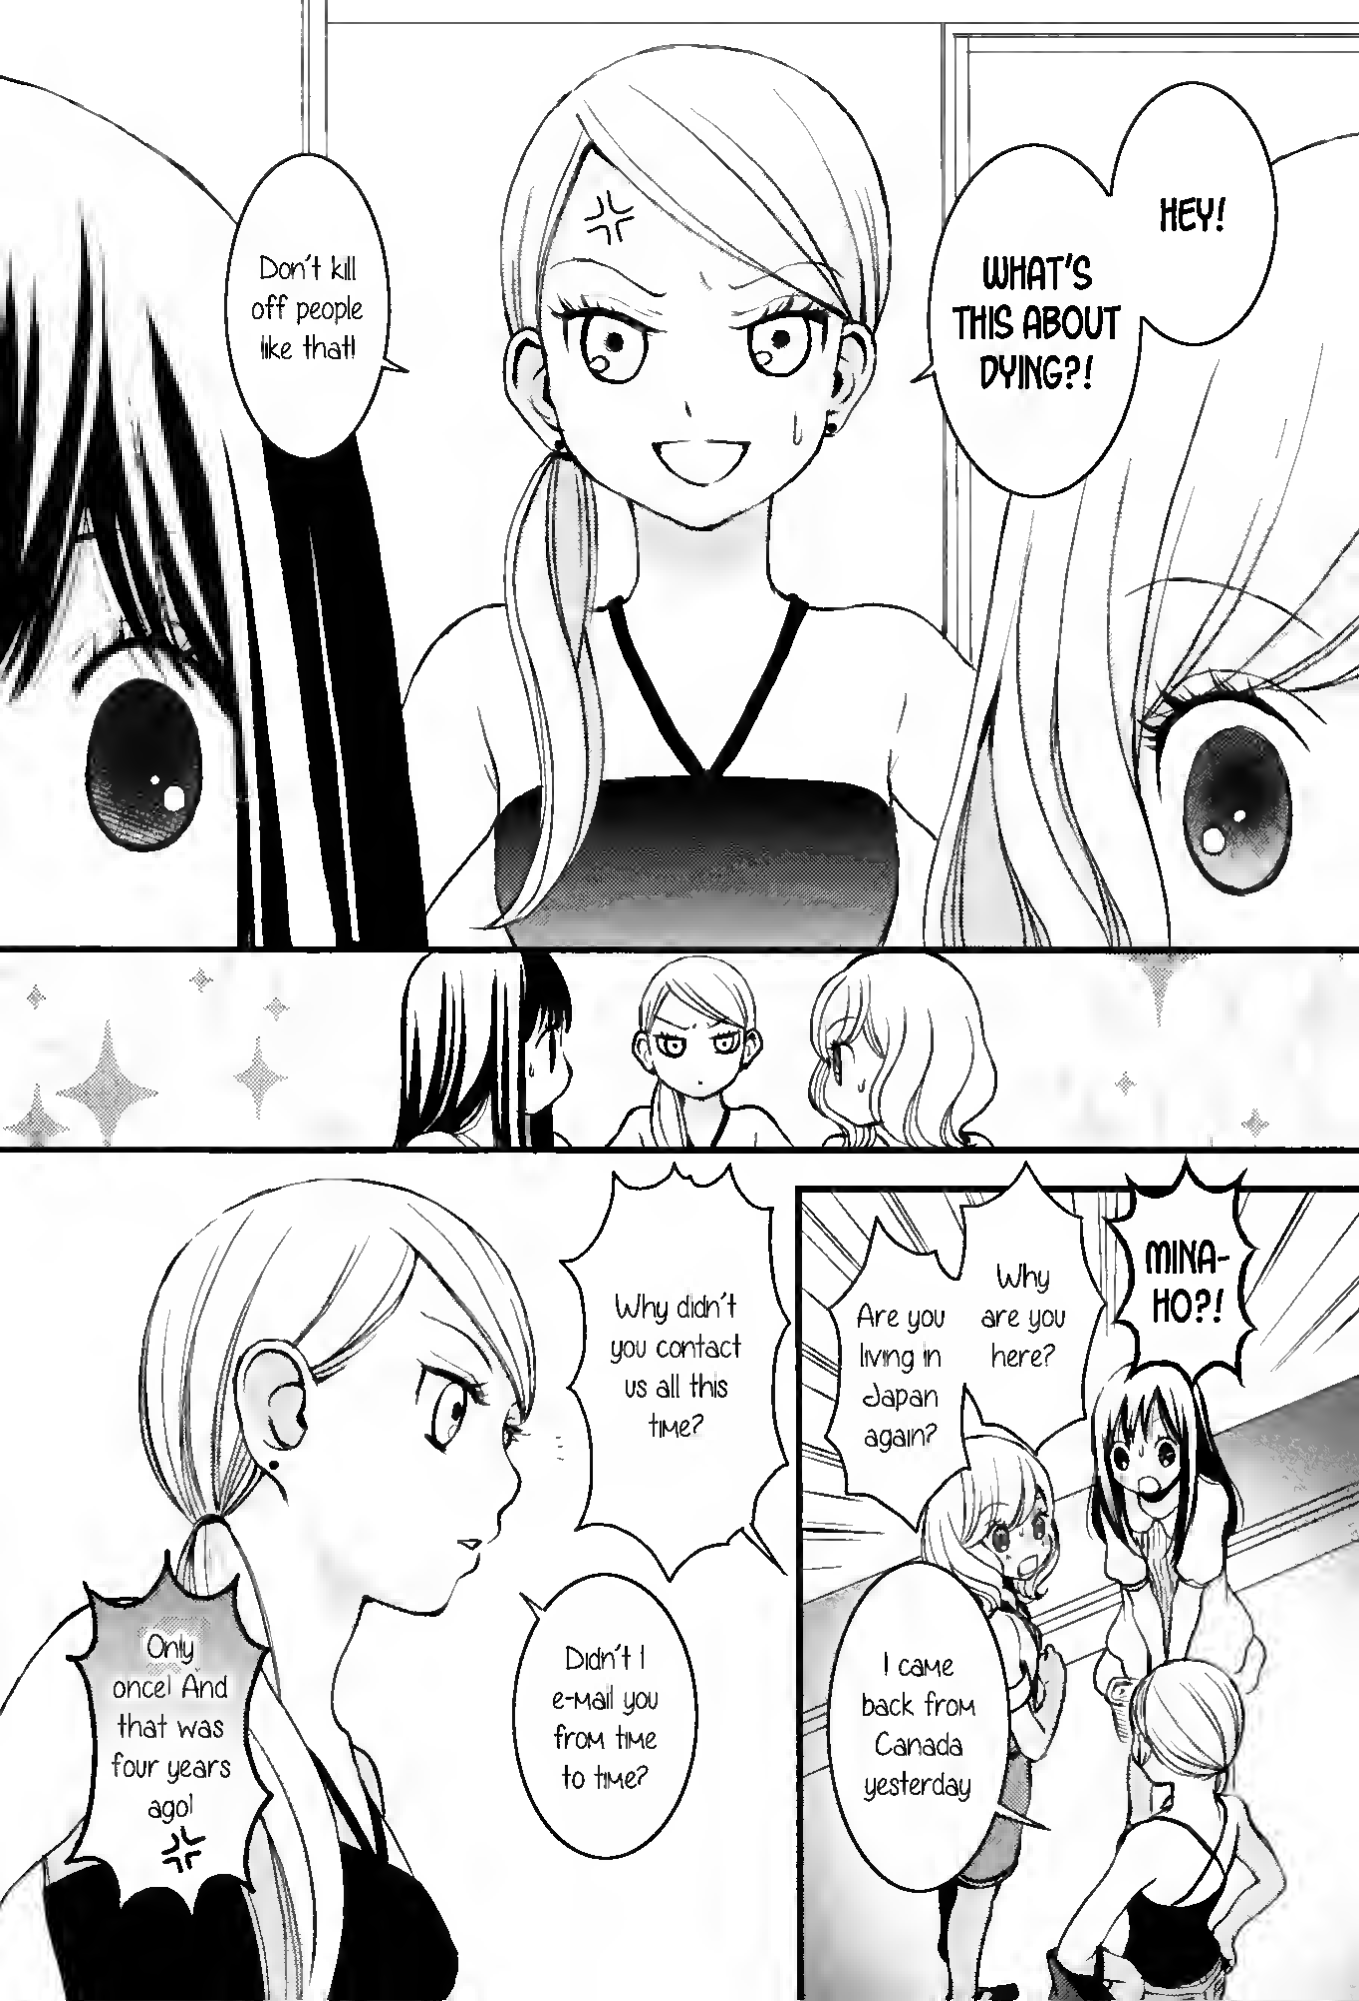
We were, weren't we?
We were like that, too
Energetic from daybreak, or more like noisy
Haha!
UWAh! REALLY?!
AMAZ-ING!
You work hard for not being a morning person
Morning, Aika!
Only just in time again!
Wheeze
And Yuu-chan!
Morning, Minaho!
We're in the same class, so don't sweat it
Together
'Cause I wanna go to school together with you
Haah Haah

boom
Eh?
BUT, AIKA, YOU'RE ACTUALLY IN LOVE WITH YUUKO, RIGHT?
!!
So, Aika, go out with me
Isn't she mean calling it weird?
sulk
WEIRD ...?
MINAHO! D-DON'T SAY WEIRD THINGS!
Eh?
W-W-WAIT A MINUTE!!
Kiss♡
Aika, you're so cute, Yuuko must be a fool
Eh?
Are you jealous?
Be honest with your feelings, Yuuko!
I-I'm not jealous!
Ahaha

I'M GOING TO A CANADIAN COLLEGE!
But, one day...
The three of us enjoyed ourselves every day.
I thought it would last forever.
!!
A statement beyond all expectations...
Yep!
She's so dynamic,
spontaneous and living at her own pace
We now have no idea what happened to her.
And, as expect-ed...
It's so like Minaho
After she moved to Canada, we hardly heard from her

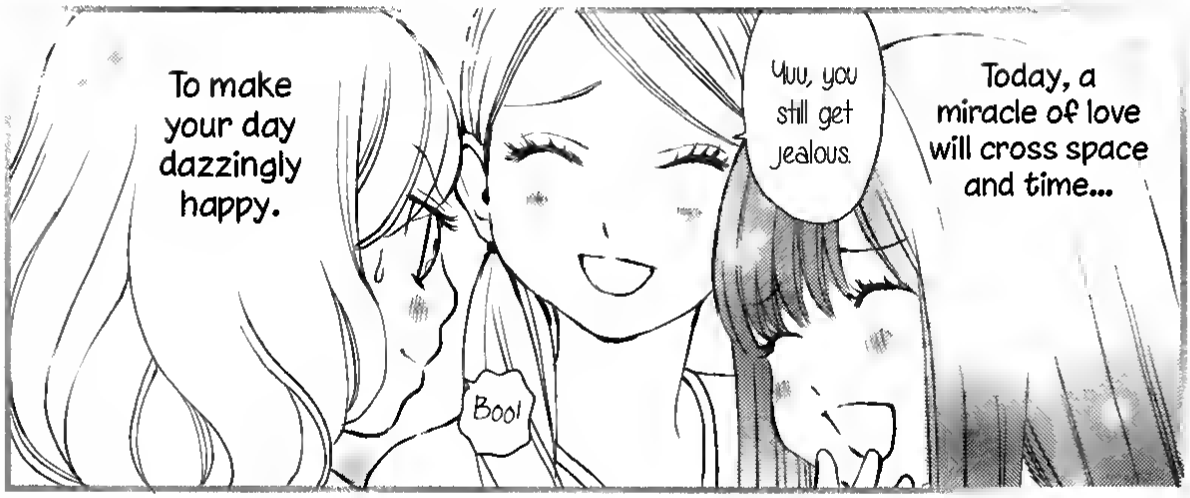


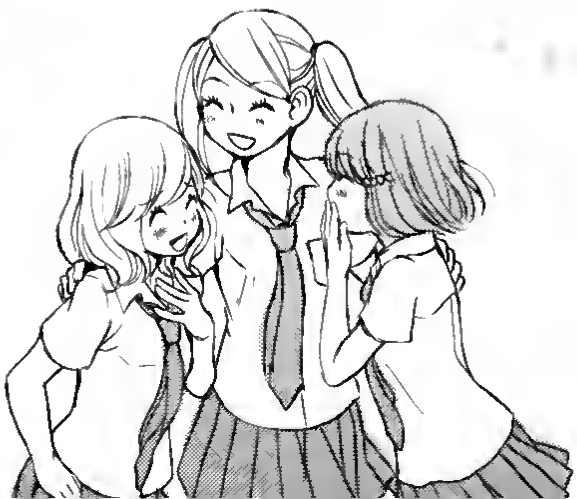
Eh?! THAT LONG AGO?!
The years really pass by fast!
Aika... that was four years ago.
She got herself a Canadian sweet-heart ♡
AH!
But I got an e-mail from her before!
Y-
Yeah, I miss her too
And I got older too!
Time really flies!
I miss her a lot And I wanna tell her every-thing that has happened
And that Aika became a total sleepyhead.
That we are living together.
That that someone is Aika.
That I am dating someone.
T-that might be possible ...!
But then, this is Minaho, she might have been reckless and died
Yeah
Well, this is Minaho, I'm sure she's doing well



HEY!
WHAT'S THIS ABOUT DYING?!
Don't kill off people like that!
MINA-HO?!
Why are you here?
Are you living in Japan again?
I came back from Canada yesterday
Why didn't you contact us all this time?
Didn't I e-mail you from time to time?
Only once! And that was four years ago!

WE'RE ENGAGED.
On the contrary
What?
D-don't tell me you returned because you broke up with your Canadian sweetheart?
Eeh?!
Gay marriage is legal in Canada!
CON-GRATU-LATIONS!
When is the ceremony? How exciting!
Kyaa
Thanks, but...
We won't be holding it for a while
Amazing!
Eeh? Hold it now ☆
We have to discuss it, inform the families, do legal stuff
Ah! It all makes my head hurt!
Hey, Minaho! Don't get so clingy with Aika!
You're engaged, you know!





Just like...

The mornings back then.

"Wonderful Morning"

By Morishima Akiko-sensei!

She was very busy, but she was glad to participate. I saw her storyboard before, but she fussed over it a lot and redid a lot of things. It's a wonderful story with many happy moments that quite moved me (sob). Canada is a nice country, isn't it? Minaho's girlfriend seemed to be a really tall foreigner, so I was very infatuated with her...♪
